However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

KUSH INDUSTRIES LIMITED

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in Demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

INDEPENDENT AUDITORS' REPORT

To,
The Members of
KUSH INDUSTRIES LIMITED (formerly known as SNS TEXTILES LTD.)

Opinion

We have audited the accompanying standalone financial statements of **Kush Industries Limited** (Earlier Known as SNS Textiles Limited) ("the Company"), which comprise the balance sheet as at **31st March 2025**, the statement of profit and loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at **March 31, 2025**;
- b) In the case of the Statement of Profit and Loss, of the **Profit** for the year ended on that date; and
- c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	Auditor's Response
<p>Unsecured loan: The Company has not provided the loan agreement in respect of loans availed from directors and Corporate</p>	<p>We are unable to form an opinion about the timely repayment of these outstanding debts. However, management is confident for repayment of the said loan.</p>

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

KUSH INDUSTRIES LIMITED

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the

auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 issued by the Central Government of India in terms of sub-section (11) of section 143 of The Companies Act 2013, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order.

KUSH INDUSTRIES LIMITED

Annexure B:**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **KUSH INDUSTRIES LIMITED (formerly known as SNS TEXTILES LTD.)** as of 31st March 2025 in conjunction with our audit of the standalone financial statements of the Company for the period ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures

ANNUAL REPORT 2024-25

of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

KUSH INDUSTRIES LIMITED

CORPORATE INFORMATION:

Kush Industries Limited (formerly known as SNS Textiles Limited) was incorporated on 04.03.1992 having CIN L74110GJ1992PLC017218 is the listed entity incorporated in India. The registered office of the Company is located at Plot No.129, Near J. B. Chemicals, GIDC, Ankleshwar, Bharuch - 393002. The Company is engaged in the business of trading.

A. SIGNIFICANT ACCOUNTING POLICIES:

a) Basis of Preparation and measurement:

These financial statements have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

These financial statements have been prepared on a historical cost convention on the accrual basis, except for certain financial assets and liabilities measured at fair value. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

These financial statements are presented in Indian Rupees, which is also its functional currency and all values are rounded to the nearest rupee, except when otherwise indicated.

b) Property, Plant and Equipment:

Property, plant and equipment (PPE) are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Expenses incurred relating to PPE during its development stage prior to its intended use are disclosed under Capital Work-in-Progress.

Depreciation on PPE is provided using written down value method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Useful life of PPE is as prescribed under Schedule II of the Companies Act 2013.

Freehold land is not depreciated.

Depreciation is not charged on capital work-in-progress until construction and installation is complete and the PPE is ready for its intended use.

Gains or losses arising from derecognition of a PPE are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

The residual values and useful lives of PPE are reviewed at each financial year end and adjusted prospectively, if appropriate.

c) Investment Property:

Investment property includes property (land or building or both), to earn rentals or for capital appreciation or both, but not for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business.

Investment property is measured at cost less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, transaction costs and any directly attributable

expenditure. Investment property is recognized only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Depreciation on investment property is provided using written down value method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Gains or losses arising from derecognition of investment property are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

The residual values and useful lives of investment property are reviewed at each financial year end and adjusted prospectively, if appropriate.

d) Leases:

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

e) Assets held for Sale:

Non-current assets or disposal groups comprising of assets and liabilities, which are retired from active use, are classified as 'held for sale' when all of the following criteria are met:

- decision has been made to sell
- the assets are available for immediate sale in its present condition
- the assets are being actively marketed and
- sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such non-current assets and disposal groups classified as held for sale are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

f) Borrowing Costs:

Borrowing cost includes interest, ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

g) Revenue Recognition:

Effective April 1, 2018, the Company has applied Ind AS115: Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

Ind AS 115 replaces Ind AS 18 Revenue. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

KUSH INDUSTRIES LIMITED

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations.

The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc.

Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

Our customers have the contractual right to return goods only when authorised by the Company. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations. (FOR JOBWORK)

Interest income is recognized using the effective interest rate (EIR) method.

Dividend income on investments is recognised when the right to receive dividend is established.

h) Taxes:

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to an item which is recognized directly in equity or in other comprehensive income. In which case, the tax is also recognised in equity or other comprehensive income.

Current tax is the expected tax payable/receivable on the taxable income/loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Interest income/expenses and penalties, if any, related to income tax are included in current tax expense.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

i) Fair Value Measurement:

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability accessible by the Company.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

j) Inventories:

Inventories were valued at cost and each year reasonable price is reduced for providing for decline in Net Realizable Values. Items of inventories are measured at lower of cost and net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

k) Earnings per share:

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

l) Provisions and Contingent Liabilities:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

KUSH INDUSTRIES LIMITED

m) Financial Instruments

I. Financial Assets:

a. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

b. Subsequent measurement

i. Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

At present the Company does not have investment in any debt securities classified as FVOCI.

On initial recognition of an equity investment that is not held for trading, the Company has irrevocably elected to present subsequent changes in the investment's fair value in OCI (designated as FVOCI-equity investment). This election is made on an investment by investment basis.

iii. Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

c. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Other Comprehensive Income.

d. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company

uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

II. Financial Liabilities:

a. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

b. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payable maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments

III. Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for Derecognition under Ind AS 109.

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when contractual obligation is discharged or cancelled or expires.

n) Impairment of Non-Financial Assets

The Company assesses at each reporting date as to whether there is any indication that any non-financial asset or group of assets, called cash generating units (CGU) may be impaired.

If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/CGU is made. Asset/CGU whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognising the impairment loss as an expense in the Statement of Profit and Loss. The impairment loss is allocated first to reduce the carrying amount of any goodwill (if any) allocated to the cash generating unit and then to the other assets of the unit, pro rata based on the carrying amount of each asset in the unit.

The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount i.e. an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased.

o) Employee Benefits:

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts.

The Company makes specified monthly contributions towards government administered employees' provident fund and state insurance schemes. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

KUSH INDUSTRIES LIMITED

The company also makes contribution for gratuity and superannuation benefits, which are covered by policies taken with the LIC. The premium paid under these schemes is charged to profit and loss on actual payment basis when the related services are rendered by employees.

Short-term and long-term compensated absences (leave encashment) are provided for on the basis of an actuarial valuation, using projected unit credit method, as at each balance sheet date. Actuarial losses are taken to the statement of profit and loss and are not deferred.

B. USE OF ESTIMATES AND CRITICAL JUDGEMENTS:

The preparation of financial statements requires the management to make judgements, estimates and assumptions in the application of accounting policies that may affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of financial statements and reported amounts of income and expenses during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect on the amounts recognized in the standalone financial statements is included in the following notes:

1. Note-2 - Identification of the land and/or building is an investment property
2. Note-2– Depreciation /Amortization and useful lives of property plant and equipments
3. Note-16 & 28 – recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources (contingent liabilities)
4. Impairment of Non-Financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

Company has not undertaken any transactions denominated in foreign currency and therefore, there is no foreign currency risk.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Borrowings of the company are interest free and therefore, there is no interest rate risk.

Credit Risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk primarily trade receivables and other financial assets including deposits with banks.

Other financial assets

This comprises mainly of deposits with banks and other receivables. Credit risk arising from these financial assets is limited and there is no collateral held against these because the counterparties are group companies and banks.
